Sub; Famine - Bellary District - Kudligi taluk - Additional road works - Retention of the R.I. till 31.10-46 Requested

In G.O.Ms. No. 637, Revenue Department, dated 27.3.1946, the Government sanctioned the employment of a Revenue Inspector for work connected with the supervision of the additional road works taken up for departmental execution in Kudligi taluk. Road works Nos. 2 & 3 of the three works mentioned in my letter No. 1864 dated 4.4.46, are in progress and are attracting labourers in that area. The Divisional Engineer, (Highways) has written to say that the other road work also will be started within a few days. The seasonal conditions have no doubt improved, but owing to the fact that the road works are still attracting labourers, though not in such large number as before, I consider that they cannot be closed till the first week of October, 1946 when the early crops are expected to come up for harvest.

2) The period of sanction for the Special Revenue Inspector appointed for the supervision of the above road work expires by 10.8.46 and I am continuing the Revenue Inspector in anticipation of the sanction by the Government as the road works have to be continued till about the first week of October, 1946 for the reasons mentioned above.

3) I request that the Board may be pleased to obtain the sanction of the Government for the retention of the Special Revenue Inspector till 31.10.1946 or till the necessity for this services ceases, whichever is earlier. My action in having continued the Revenue Inspector in anticipation of sanction by Govt. may also be approved.
